

Chekomatic – Islamic Foundation of Greater St. Louis

What is Chekomatic?

Chekomatic is a process by which your pledged contribution to the General Fund is automatically withdrawn from your Bank Account and deposited electronically in the Islamic Foundation of Greater St. Louis Bank Account, at your agreed date of each month.

Why Chekomatic now?

We need support and 100% participation of all community members. Even if you are a regular contributor, please sign up for Chekomatic so we could predict the amount we will have each month to pay our fixed and variable monthly expense.

We will be glad to accept contributions from \$10 to \$500 a month or more; whatever you can afford.

Chekomatic is simple?

You can participate in the Chekomatic Program by signing a simple form & providing the office with a voided check. We will do the rest of paper work for you. There is no cost to you or to the Foundation for the Chekomatic system.

Can I change my Chekomatic amount?

Your Chekomatic amount can be adjusted by notifying the office in writing. If your financial condition changes, you have the option to stop Chekomatic with proper notification to the business office. Your amount will not change without your written approval.

Do I have to be a Member of Islamic Foundation to participate in Chekomatic?

No, anyone who is not a member of the Islamic Foundation of Greater St. Louis can participate in the Chekomatic program.

Do I get a Tax Donation Receipt at the end of the year?

Yes. You will be provided with a Donation Receipt for tax deduction purposes. As a donor, you do not have to keep track of your donations. With cash donations in the boxes, you may not get full tax deduction or IRS may not accept your word. Chekomatic is fully tax deductible and you get the deduction you deserve for your donation.
